Dear Dr. Waite:

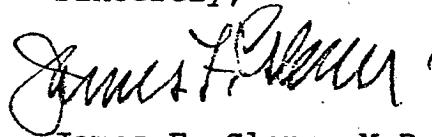

Thank you for your note.

We enclose a copy of the Annual Report along with guidelines for submission of a grant application.

We would prefer to have a preliminary letter of some two or three pages, outlining the project in some detail. We will circulate this to our Executive Committee and they can give you some indication of our interest in supporting your project.

We look forward to hearing from you.

Sincerely,

James F. Glenn, M.D.
